Results

"Safety Services Company is a life saver. They assisted us on two separate major audits with ConocoPhillips and Statoil and the results were fantastic: two passing grades."

-D&B Rental Services

Exceeds Expectations

"It's refreshing to work with a company that truly cares. We always receive immediate service and undivided attention. Safety Services Company consistently exceeds our expectations, and we couldn't be happier!"

- Hilger Construction

Knowledge

"Helpful, thorough, courteous and knowledgeable, this is the best safety and compliance company we have ever worked with. Results are always produced quickly, responding directly to the changing needs of our business."

- Associated Builders and Contractors
